TESTIMONIALS

"Cleous blew us away. He took us to places we didn't even know we could go. He did a segment called Trauma Redefined and it blew everyone away. So if you don't know him, you need to get to know him."

Rev. Dr. A'Shellarien Addison

"Cleous shared a dynamic message. I was so inspired by him and how he correlated our minds to airplanes that carry baggage. He did it so splendidly that I immediately knew I needed to book a session afterwards."

Charlotte Brown

"This was an outstanding presentation. I was taken away by Cleous' message and his assembly line analogy. I suggest everyone reach out to him to present. I guarantee it will be an enlightening experience."
